The series which opens at Braves Field tomorrow is far from being a sectional affair, however, from the standpoint of interest. Notwithstanding that the contending teams are eastern clubs, the interest in the coming struggle for the world's championship is national and this is clearly demonstrated by the gathering of the spectators for the two games that will be played here tomorrow and Monday. While it is only natural that the majority of the fans should hail from New England and New York, the fact remains that hundreds of baseball enthusiasts from all parts of the country are here.

Every hotel in the city tonight is thronged with baseball followers who are willing to endure inconveniences, provided they are assured a place to sleep and eat. A glance at the registers shows that the fans have journeyed from the south, far west, central and Atlantic states to witness the play and explains why Braves Field, with its seating capacity for more than 45,000 spectators, will be unable to accommodate the throngs who will besiege its gates tomorrow.

The weather man has promised his finest brand of weather for the opening game, his prediction calling for an ideal Indian summer day, moderately warm and with little if any wind. Hundreds of men and boys gathered outside the wall of the park for an all-night vigil, under brilliant moonlight and in a warm atmosphere that made overcoats and heavy wraps unnecessary.

The gates leading to the unreserved sections of the stands and bleachers will be opened early tomorrow morning and sold out tonight and these will be snapped up immediately when they are put on sale at the box office tomorrow.

Seat Sale Strenuous
So great has been the demand for seats that not many are offered for sale by speculators. President J. J. Lannin of the Boston club stated that he had been forced to buy back, at a premium, some tickets which he needed for personal friends who applied and could not be refused at the last minute.

Those speculators who were fortunate enough to secure even a pair of

seats reaped a profit of more than 100 per cent upon their investment on their mere announcement that they had seats for sale. Several were arrested during the afternoon, for trafficking in the tickets at advanced prices.

There was the usual preliminary activity of players and officials during the day and the few minor details left unfinished at the national commission meeting in New York last Tuesday were cleared away. Soon after President R. B. Johnson of the American League and John C. Tener of the Nationals arrived from New York the positions of the umpires for the opening game were assigned and the announcement made that the infield fly rule of the two leagues would be observed under American League regulations when the clubs were playing at the Boston park and under the National League code at Brooklyn.

All the Boston club players were out for practice during the afternoon. Every player except Captain Jack Barry and George Foster, who will not participate in the series owing to injuries, reported in perfect condition.

Robins Reach Boston
The Brooklyn players and officials arrived this evening accompanied by the "Booster Club." Manager Robinson said every member of his team was in shape and expected to win. The invading club was met at the station by

WORLD SERIES CONTEST OF SURE FIELDING SOX VERSUS HARD HITTING BROOKLYNS

BY LYLE ABBOTT

Will Red Sox experience offset Brooklyn batting?
Now that the National league has had its final convulsion and donated a winner, it is time to begin figuring. And there is plenty of it going on. The fellows who bet on cold figures, and not on hunches and sentiment, are putting up pretty attractive odds on Boston. There was a record last night of a huge bank of 2 to 1 dough in Denver. There are 7 to 5 money in some of the eastern centers.

Brooklyn leads the National league batting as a club, with an average of .261. Boston was fifth with .245, and such luckless clubs as Detroit, Chicago, Cleveland and New York ahead of the champions in that order. Boston fielded considerably better than Brooklyn—as between clubs of their own leagues, of course. The Red Sox did a community fielding record of .971, while Brooklyn's percentage was .965 and they were fourth in order.

Boston goes into the series with three advantages—considered strictly as club advantages, and discounting luck and jinx. They have had three days more of certainty about the final result, and more time to take breath for the big series. They are older players, have had more individual and team experience, and know what world series baseball means. They open in their home city on a night in which they have had considerable practice, and play two games there before they have to invade an alien field.

Some of the figures, good up to September 28:

Player	AB	R	H	Ave
Gardner	486	47	148	.305
Ruth	433	18	38	.286
Shorner	306	11	39	.288
Wyckoff	14	1	4	.286
Lewis	547	56	147	.269
Walker	455	68	122	.268
Carrigan	460	7	126	.272
Hooper	464	74	159	.343
Hoblitzell	408	57	107	.262
Thomas	209	39	53	.254
Mays	75	8	18	.240

JACKSON'S BATTING WINS FOR COMISKEY

(By Associated Press)
CHICAGO, Oct. 6.—Comiskey's American leaguers won their third straight game from their National league rivals for the championship today. Claude Williams pitched in fine form and held his opponents to six scattered hits, while Joe Jackson's batting won the game for the American leaguers.

VANDALS SHOOTING UP HIGHWAY SIGNS

All of Which Peeves County Engineer Harold Bargman Exceedingly

Either through carelessness or maliciousness, hunters have shot at the road signs until they have become valueless in aiding the traveling public according to the statement made yesterday by County Engineer Harold Bargman. Complaints have been made to the office of the engineer that the signs have received this treatment and last week the matter was investigated. Mr. Bargman found that the charges were well founded and that some of the signs had been used as a target until the wording had been completely obliterated.

"Self-respect, if nothing else, should prevent a man from doing an act of this kind," declared Mr. Bargman. "The county has come to the expense of adding the public to get through the country and in return thoughtless persons have destroyed its work. On the Black Canyon road alone we found four road signs destroyed. The offenders should be dealt with by law."

AMERICAN IN LEAD BUT ONE WORLD SERIES

(By Associated Press)

Series of 1916. The twelve under the auspices of the National Baseball commission, finds the American league leading in the race for premier baseball honors by the narrow margin of one series game to one in a series of seven games. The American league representatives would tie the standing at six series all. Going back to 1905, when the New York Nationals defeated the Philadelphia Athletics four games to one in a series, in which every game was a shut-out, the American league standard-bearers have won six series and the Nationals five.

Although outplayed in the series to date, the National league team has won more games and scored more runs than their American league rivals, while the eleven series are considered as the two pennant winners of the major leagues have met annually in a series of world's championship games, the winner of the title to be the team which first wins four games out of the seven yearly scheduled.

Up to the present time but one team has won four games straight, the holders of this unique record being the Boston Nationals of 1914 which defeated the Philadelphia Athletics four times in a row and thus brought about the breaking up of what many consider to be the greatest baseball machine in the history of the game. The New York Nationals and the Boston Americans figured in the longest series when they played eight games in 1912, Boston winning four; New York three and one game being a tie. In 1907 the Chicago Nationals defeated the Detroit Americans four games straight but the series consisted of five games, the first being a tie at 3 to 3 when darkness halted the play.

Comparing the work of the teams in the eleven series to date it will be found that sixty-one games have been played of which the National league clubs have won thirty; the Americans twenty-nine, with two games tied. The total number of runs scored in these sixty-one games amount to 412 of which the National league teams have accounted for 219 and the Americans 193. The averages for the series are as follows: games per series, 5.6; runs per series, 6.7; hits per game, 6.3-4.

For the National league 169 players have participated in the contests to date for the junior league. The total number employed was in the 1905 series when the Athletics used twelve and the Giants eleven. In 1912 and 1915 a total of thirty-four took part, each contender in those years playing seventeen on the field. The 1905 series also holds the record for the least number of runs made came in the play between the Pittsburgh Nationals and the Detroit Americans, the two teams collecting a total of sixty-two runs in seven games.

DR. KOO RESIGNS BECAUSE OF ILLNESS

(By Associated Press)
WASHINGTON, Oct. 6.—It was said at the Chinese legation tonight that there was considerable doubt whether Dr. Koo would consent to reconsider his resignation as minister to the United States. During most of the year that he has been in his post here he has been in ill health, and his physicians are understood to be insisting on a change of climate.

The reluctance of the Chinese government to lose Dr. Koo's services is supposed here to be due largely to the fact that in his short term as minister he has strongly impressed the department officials with China's desire for closer friendship with the United States.

Coyotes Open Grid Season Today

CENTRAL ELEVENS SWING INTO FRAY ON MANY GRIDIRONS

(By Associated Press)
CHICAGO, Oct. 6.—Practically every leading college football eleven in the central states will be swung into action tomorrow. All big nine teams, except Indiana, have games carded, including one of high importance in the big nine and the Missouri valley conference, that between Illinois and Kansas at Urbana. The others are mainly practice games, though some stiff combats are looked for.

Following is a schedule of football games to be played tomorrow:

At Chicago—Carleton vs. Chicago.
At Evanston—Lake Forest vs. Northwestern.
At Urbana—Kansas vs. Illinois.
At Minneapolis—South Dakota State vs. Minnesota.
At Columbus—Ohio Wesleyan vs. Ohio State.
At Madison—Lawrence vs. Wisconsin.
At Lafayette—DePaul vs. Purdue.
At Iowa City—Cornell vs. Iowa.
At Ann Arbor—Case vs. Michigan.
At East Lansing—Carroll vs. Michigan State.
At Cleveland—Notre Dame vs. Western Reserve.
At Lincoln—Nebraska vs. Nebraska.
At Fayetteville—Hendrix vs. Arkansas.
At St. Louis—Rose Poly vs. Washington.
At Aberdeen—Montana vs. University of Idaho.
At St. Paul—North Dakota vs. St. Thomas.
At Lincoln, Ill.—Milikin vs. Lincoln College.
At Lexington—Canter College vs. Kentucky.
At Crawfordville—Hanover vs. Wabash.

GRAND CIRCUIT

LEXINGTON, Ky., Oct. 6.—Emma Magowan won the Lexington, the oldest two-year-old stake race, in handy fashion at the Kentucky Trotting Horse Breeders' association meeting here today, trotting the two heats in 2:07.4 and 2:07.4, which makes it the third fastest two-year-old race on record.

Ben Earl, in winning the Blue Grass stake for 2:10 pacers, showed the best speed of the day. In the second heat he paced the last half in 54.4 and the last quarter in 28.2. Ben Earl, driven by Marvin Childs, won the racing feature in straight heats, Blonny after three hard battles with Jay Ell Mack and Young Todd.

The 2:15 trot developed the hardest race, five heats being required. Baby Doll got first money by winning the second, third and fifth heats; Jeannette Speed won the first heat and second money. In the second heat George Patterson and Jeannette Speed ran together on the first turn and Cox was thrown from the sulky but was not injured. The horses were placed by the judges because they considered it an unavoidable accident.

The 2:16 pace was easy for Spring Maid, the favorite, in straight heats. Brisac, driven by Murphy, won the third and deciding heat of the 2:08 trot, unfinished on Thursday. M. J. L., heat winner on the previous day, getting second money.

In trial to beat 2:17.4 trotting, Buck Watts (E) b.c. by General Watts, trotted in 2:09.3, the fastest mile of the year, by a two-year-old colt.

EASTERN COLLEGES HAVE HARD GAMES ON HANDS TODAY

(By Associated Press)
NEW YORK, Oct. 6.—Intercollegiate football games to be played tomorrow. Five of the leading southern university elevens will convene upon gridirons in this section. The University of Virginia will play Yale, over which it triumphed by a 10 to 3 score last year. Princeton will have North Carolina as an opponent. West Virginia Wesleyan meets Washington and Jefferson. Western Maryland faces Fordham, while the Army will meet Washington and Lee University.

The west also will be represented, for Ohio University will oppose Syracuse in the stadium of the latter university.

The records of the invading southern and western elevens last year show great scoring power and strong defensive strength, and as they have retained a majority of the 1915 veterans, it is expected that the home combinations will be forced to uncover something more than practice football.

Among the more important east-west games: Harvard will meet Tufts. Pennsylvania will play Franklin and Delaware colleges; Maine, Brown has Trinity as an opponent. Williams opposes Union. Columbia comes up State meets Bucknell, and Lafayette plays Swarthmore.

Last fall Georgetown defeated the Navy; Brown and Trinity played a no-score tie and Union defeated Williams. The contests in a majority of the other games were exceedingly close.

MISSOURI VALLEY GAMES

KANSAS CITY, Mo., Oct. 6.—With the games tomorrow, all of the football teams of the Missouri Valley conference will have opened their 1916 season and the chase for the valley title now held by Nebraska, again will be fully under way. All conference elevens will play tomorrow, excepting the Kansas Aggies, who met Southwestern at Manhattan today. Nebraska, Missouri and Washington will open their schedules with games on their home grounds. The Cornhuskers play at Iowa City; Cornell vs. Iowa. At Iowa City—Cornell vs. Iowa. At Ann Arbor—Case vs. Michigan. At East Lansing—Carroll vs. Michigan State. At Cleveland—Notre Dame vs. Western Reserve. At Lincoln—Nebraska vs. Nebraska. At Fayetteville—Hendrix vs. Arkansas. At St. Louis—Rose Poly vs. Washington. At Aberdeen—Montana vs. University of Idaho. At St. Paul—North Dakota vs. St. Thomas. At Lincoln, Ill.—Milikin vs. Lincoln College. At Lexington—Canter College vs. Kentucky. At Crawfordville—Hanover vs. Wabash.

FOOTBALL RESULTS

DENVER, Oct. 6.—Only one Rocky Mountain intercollegiate conference football game is scheduled to be played tomorrow, the University of Colorado and the University of Wyoming at Laramie. Interest has been taken in an intercollegiate contest at Colorado Springs, where the University of New Mexico and Colorado College meet for the first time.

Tomorrow's game will be the opening contest of the season for the University of Colorado and the strength which the new coach, M. C. Evans, has been able to inject into the machine is expected to make their first game of the year a stiff combat.

FAIR GROUNDS BATTLE FOUGHT RAIN OR SHINE

FOOTBALL TODAY, RAIN OR SHINE, SAYS GEARY

Couch Geary announced last night that rain or shine, there would be a football game this afternoon at 2:30 o'clock on the state fair grounds. Some doubt was expressed yesterday among the chicken-hearted as to whether or not the boys would be able to survive the mud, but Geary set their minds at rest. There will positively be a game.

Alumna and high school are ready for the big grid battle to be played at the state fair grounds today. The conditions, however, are in perfect condition. Coach Geary worked the boys hard during yesterday's showers. Not one fumble was made during the practice. Brains, clever work and strength featured the evening's workout. Geary's work could not be improved on, as the Coyotes are in fine condition.

Geary's right wing of the team, is showing up great. He is casting punts like "Tangle Foot" fly paper catches flies. His work in defensive plays is worthy of much praise. Like Casey, Bell left and is filling his position to "T". His quick and clever moves will keep the grand stand in suspense. Big Duncan, who fills the position of right tackle, could stop the world from turning. Young Wilkey has improved wonderfully since last year. But Dorris has a wonderful toe for a high school player. He can now class himself among the "real players." And when the ball leaves his mighty toe is taken some journey.

"Calwell, Setter, and 'Buttermilk' will start without a doubt, in today's game."

The high school has the fastest backfield in the state, including Captain Loe, Ditzel, Plimley, Hultz, Irvie, Dorris and Bryant.

The done on today's game as the fans figure it out is the first half will be scorching and in the last half P. H. S. will win by a small score.

Alumni, Too, Are Confident
The Alumni are ready to meet P. H. S. They claim that dissipation has not lured them very far away from the gridiron, and they will be at the state fair grounds this afternoon with bells. The Alumni admit themselves that they are up against it when they play the youngsters. However, the seniors are no triflers, and will make Geary's youngsters work hard to beat them, as they were in their day, undefeated champions.

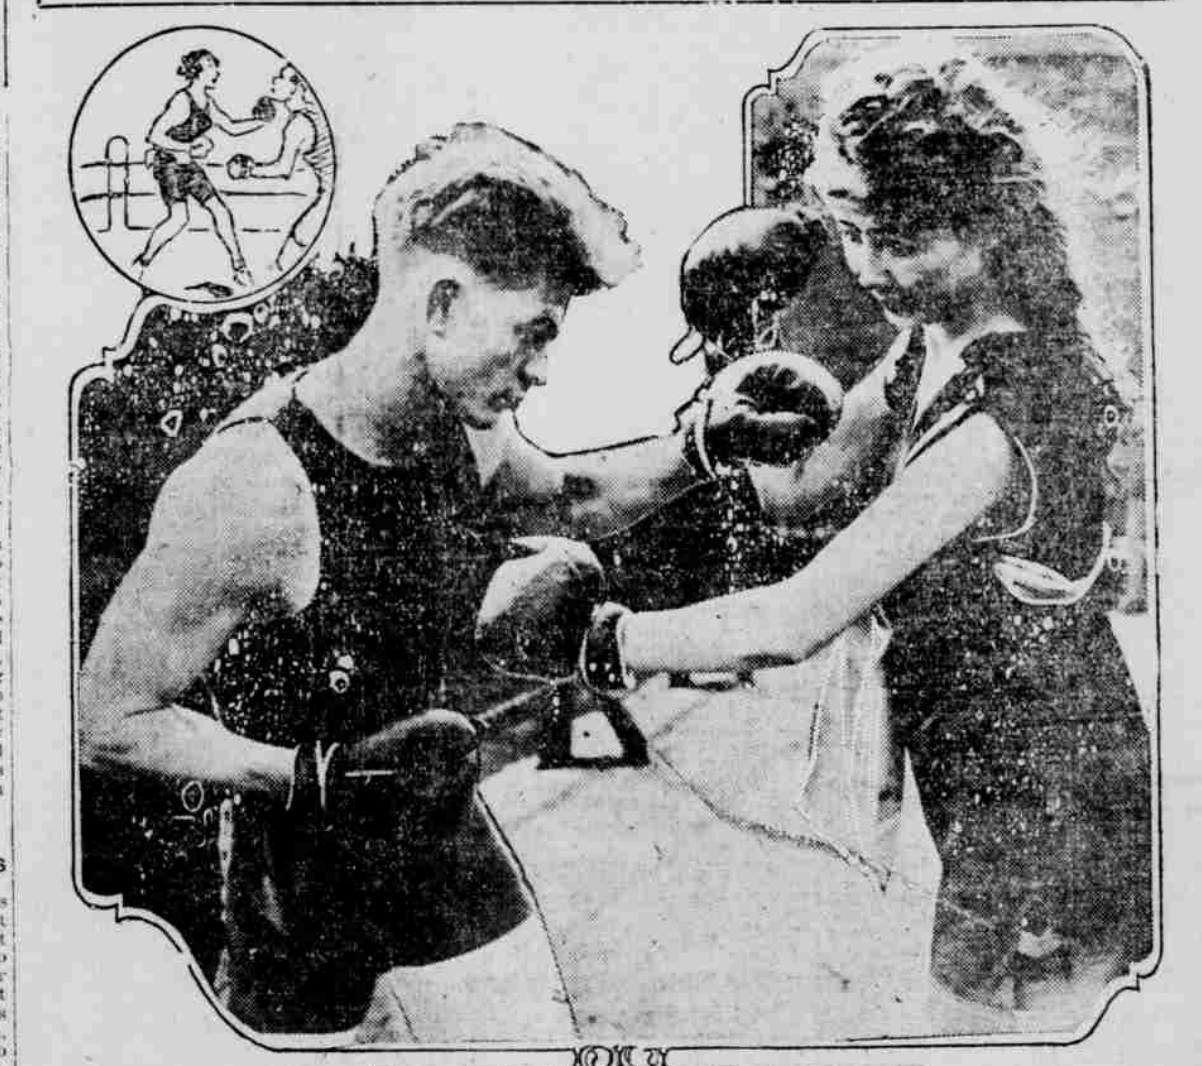

The Alumni have a slow line, but they will be a speedy back field, and this will be the most important factor in today's game. Thomas, Peters, Corstien, Taylor and Old Pop Teal are the star players of the whole team and have had college training. Corstien and Thomas are the speediest men on the team, both covering a hundred yards in about 10 flat.

The veterans predict an easy victory over the Coyotes, if they can go through their line in the first half.
